

Welcome Alumni,

My name is Tod Thone and I am the current Head Coach of the UNH Wrestling team. I am also currently the President of the University of New Hampshire's Wrestling Alumni Alliance (UNHWAA), the first ever alumni alliance for UNH Wrestling. In order to continue the success of our program, we are looking for alumni to get involved by filling executive and advisory board positions within the UNHWAA. For the executive board, we will be looking for a vice president, treasurer, and secretary. We will also be looking for alumni to join advisory boards related to the Wildcat Hall of Fame, culture club, and scholarship foundation. The work put into these positions will in turn create the foundation of the UNHWAA. This initiative will allow UNH Wrestling to continue to grow and UNH Wrestling alumni to connect with current and former wrestlers through organized events

The goals of the UNHWAA are to promote UNH pride and traditions, organize events to bring together alumni, and increase awareness of New Hampshire collegiate wrestling. What I am presenting to you is a great opportunity to get involved with this organization once again. There is no better time to be a part of our team than right now. The following document attachment will outline the positions and goals in further details listed below. Please reach out to me personally if you would like to join this association.

Thank you for your time, your dedication and hard work contributing to the sport of wrestling. -Tod Thone
